An isometric line drawing of a power distribution unit assembly, rendered in white lines on a solid blue background. The assembly consists of a main base plate with multiple vertical posts or pins, and a separate top cover with a scalloped edge and a latch mechanism. The text "POWER DISTRIBUTION UNITS" is overlaid on the left side of the image.

A collection of white line-art illustrations of various automotive battery terminals and connectors, set against a solid blue background. The components include two long threaded studs, a multi-pin connector, a ring terminal, a hex nut, a cylindrical terminal, and a multi-pin plug. The text "BATTERY TERMINALS" is centered over the middle of the image.

[illegible]

A norma della legge sul diritto d'autore e del codice civile, è tassativamente vietata la riproduzione di questo catalogo o parte di esso, con qualsiasi metodo elettronico, meccanico, per mezzo di fotocopie, microfilm, registrazioni o altro. I diritti sono riservati per tutti i paesi.

Disegni, caratteristiche e codifiche, possono essere soggetti a modifiche e variazioni. Al fine di un miglioramento tecnologico e qualitativo. MTA S.p.A. si riserva la facoltà di effettuare cambiamenti senza nessun preavviso.

I prodotti di questo catalogo sono destinati ad uso industriale e professionale e devono essere installati e manovrati da persone qualificate.

L'acquirente è tenuto ad informare l'utilizzatore finale dei rischi connessi al loro errato utilizzo (es. folgorazione, scoppio, ecc). Il venditore deve tenersi esonerato da qualsiasi uso improprio e/o derivante anche e non solo da omessa e/o insufficiente informazione relativa ai prodotti di cui sopra ed al loro uso.

According to the copyright and the civil law, the reproduction of this catalogue, or any part of this one, by electronic, mechanical methods, by means of photocopies, microfilms, recordings or other, is peremptorily forbidden. Rights are reserved for all countries.

Drawings, specifications and reference numbers may be modified and changed. MTA S.p.A. reserves itself the right, to make changes for technical or quality improvements, without any notice.

The products in this catalogue are intended for industrial and professional use and must be installed and operated by qualified personnel.

The buyer is obliged to inform the end user of the risks associated with the misuse of the products (e.g. electric shock, explosion, etc.). The seller shall be held exempt from any use that is improper and/or arising also and not only from omitted and/or insufficient information relating to the above products and their use.
